Crime Alert-Bike Larceny

On Sunday April 19th, 2015 at approximately 7:35 PM in the vicinity of the Black building bike racks, the two identified males shown below removed an unsecured bike belonging to a non-affiliate. The bike was abandoned by Suspect #1 on W 169 St. and recovered by Public Safety. It was returned to the owner who declined to report the incident to the NYPD. Anyone who knows the identity of these individuals should contact Public Safety.

(Special Attention: All CUMC bike racks)

Suspect #1  
Suspect #2

Remember to properly secure your bicycle by locking the frame and tire to a secured bike rack and using non-cable type locking devices. If above males are observed on Columbia University property please notify Public Safety and the undersigned.
