CRIME INFORMATIONAL

The New York City Police Department has alerted the public that a number of robberies have been committed inside Riverside Park. The persons responsible travel on bicycles, accosting people as they are walking through the park. While none of the robberies have occurred in the immediate vicinity of the Morningside Campus, it is important that caution is used when walking alone in the park.

- Never enter the park after closing hours.
- Whenever possible, travel with another person.
- Be cautious when using mobile phones or other electronic devices.
- Be aware of your surroundings, if you feel threatened or observe suspicious activity call the police immediately by dialing 911.
